04-Jun-24	944	Airover Pressure (dBL)	Did Not Register	Did Not Register	Did Not Register	Did Not Register

Results

All blast monitoring results from April 2024 - June 2024 are compliant with the site's Environmental Authority blasting limits. Monitoring locations are selected by the consultant based on blast profile and location on site. The result "Did Not Register" indicates no impact occurred at a level sufficient for the monitor to record.
