11-Mar-26	2602	Airover Pressure (dBL)	Did Not Register	Did Not Register	103.70	108.50

## Results

All blast monitoring results from January 2026 to March 2026 are compliant with the site's Environmental Authority blasting limits. Monitoring locations are selected by the consultant based on blast profile and location on site. The result "Did Not Register" indicates no impact occurred at a level sufficient for the monitor to record.
