**Community Complaint**

Event Date	Reference	Status	Event Type	Responsible Manager(s)	Workgroup	Description
Blasting						
22-Jun-2021	332380	Submitted	Community Complaint		Teven Quarry	Neighbour informed of blast 24 hours prior to blast as per consent requirements; however notification mistakenly said blast would be "today" as in day of notification instead of "tomorrow" as ws meant to. Notifications to other neighbours were correct
Traffic						
05-May-2021	328897	Submitted	Community Complaint		Teven Quarry	Quarry received a call from neighbour (Peta 0435819278) regarding road trucks speeding down Teven Rd and using jake brakes outside her house. She stopped a truck outside her house and spoke to him about reducing his speed and not using the jake brakes
05-May-2021	328898	Submitted	Community Complaint		Teven Quarry	Complaint from neighbour (Peta 0435819278) that speeding and truck movements past her property have cracked her verandah
