Subject: Update: Production and Transport Surcharge

Dear Valued Customer,

Consistent with our commitment to regularly review the Production and Transport Surcharge, and reflecting the continued reduction in the National Terminal Gate Price (**NTGP**), Holcim will not be applying the Production and Transport Surcharge previously notified on 23rd June for the period 26th June to 9th July

While fuel price volatility has eased and conditions have stabilised relative to recent peaks, we note that the scheduled reduction in government fuel excise relief and the re-introduction of the road user charge from 1 July is expected to place upward pressure on fuel pricing. We will continue to closely monitor fuel price movements and associated supply chain cost impacts and communicate any future changes to Production and Transport Surcharge to support your planning.

Surcharge Type	Rate (GST Exclusive)	Validity Period
Production and Transport Surcharge	\$0/ m ³	26/06/2026 – 09/07/2026
