Subject: Update: Production and Transport Surcharge

Dear Valued Customer,

In line with our commitment to regularly reviewing operational inputs, we have completed our fortnightly assessment of the Production and Transport Surcharge.

The National Terminal Gate Price **(NTGP)** for diesel has decreased since our last update. As a result, we are pleased to announce that, effective for the upcoming fortnightly period, the Production and Transport Surcharge will decrease to **$9.82/m³**. We will continue monitoring market conditions closely during each fortnightly review cycle and provide further updates as needed.

.

Surcharge Type	**Rate (GST Exclusive)**	**Validity Period**
Production and Transport Surcharge	$9.82 m³	27/11/2026 –10/12/2026

Key Information

- **Invoicing**: The Production and Transport Surcharge will continue to be displayed as a clear, separate line item on your standard invoice.
- **Next Update:** The outcome of the next review will be communicated prior to 10/12/2026.
- **Review Cycle:** Fortnightly.

We recognise the challenges this economic climate creates for your business. Our priority remains the reliable supply of high-quality products to your sites. We are committed to maintaining open communication as conditions evolve and working in partnership with you to navigate these changes.

If you have any questions regarding this letter or the surcharge, please don't hesitate to contact your Account Manager. Thank you for your ongoing support and for the opportunity to supply your projects.

Yours sincerely,

Greg Price
