Correspondence.

Chris Cherry

Dear Sir/ madam,

On 30 April 2013 the Pottsville Community Association resolved to request that Dunloe Sand Mining Operations provide the Association's Community Consultative Committee representatives, access to Rehabilitation Zone 1 adjacent to the Black Rocks sports field and Black Rocks by the Sea housing estate.

It is requested that this take place at the next Community Consultative Committee Meeting on 28 June 2013, so that the PCA representatives can provide feedback on how the rehabilitation process is progressing.

Please advise whether or not this request can be facilitated.

Discussion took place about the best time to take this survey of the rehabilitation zone, and about the wild dogs and the koala population

Let the minutes show

It was decided that the Mike Wells and David Norris would undertake the survey after the meeting today with Steve Peterson.

Community complaints and responses to complaints.

No complaints have been received about the quarry operations.

Company Reports and overview of activities.

Progress at the mine – operational issues.

Stephen Peterson gave the following report.

Business is still slow due to down turn in the economy.

Construction industry is still on a downturn.

The quarry is averaging 5 to 600 tonnes per week

Issues arising from site inspections.

Monitoring and environmental performance

Dunloe Sands has ordered 1200 trees from Burringbar Rainforest Nursery

Motion to accept the Environmental Report

Moved Mike Wells

Seconded David Norris

Carried.

Information provided to the community and any feedback

Nil

General Business Nil

Meeting Closed 10 am

Next meeting 29th Novemeber 2013.

Patrick Knight advised the committee he has given David Norris paperwork to join the CCC and to Chris Cherry to resign. He will then forward them onto the relevant Government Agency.
